Dear Ms. Martel,

Re: Letter of recommendation for the nomination of Mrs. Catherine Forde to the TAFISA Board

Mrs. Forde has been a member of the First Citizens Sports Foundation since 1999 and chairs the Sub-Committees - Sport Development and Sport for All. She has added a wealth of experience and knowledge to the Foundation which she has gained while serving in various capacities and at all levels in sport on the local and international levels. She has contributed significantly and creatively to issues to find solutions and new pathways, and has lead initiatives that have met the mandate of the Sports Foundation.

Mrs Forde has been responsible for many training initiatives undertaken by the Sports Foundation and has enhanced the role of Sports for All and physical activity in Trinidad and Tobago through the promotion of the aims of TAFISA. Her contribution has been significant and has helped to broaden the experiences of many other stakeholders in sport in this country.

Therefore, on behalf of the First Citizens Sports Foundation, I recommend nominating Mrs. Forde for the position of Director to the Board of TAFISA. The successful outcome for her nomination will be a valuable asset to your team as Mrs. Forde is a person who is highly committed, motivated, well trained, knowledgeable, experienced and well respected.

Sincerely,

Dr Keith Clifford
Chairman - First Citizens Sports Foundation
