SUBJECT:

**Letter of support for Janez Sodrznik the first Vice President of the OCS-ASF in his candidacy to become a Board Member of TAFISA**

Dear friends of sport,

On behalf of the Olympic Committee of Slovenia – Association of Sports Federations, I am pleased and proud to support Janez Sodrznik, MA, the first Vice President of the OCS-ASF in his candidacy to become a Board Member of TAFISA. The voting will take place in Seoul in November 2017.

Janez Sodrznik, MA, is an exceptional person and, in his long career as a sports worker in Slovenia and abroad, he has significantly contributed to the development of sport, both in the field of strategy and implementation activities on the local and national levels.

For a number of years, he was a member of the Executive Board of the OCS-ASF and today he holds the positions of the first Vice President of the OCS-ASF and member of the Expert Council for Sport of the Government of the Republic of Slovenia. He helps to prepare the strategy and implementation activities for sports development in the country, but he is especially active in the field of developing Sports for All. As the president of the local sports federation in Ljubljana, the capital of Slovenia, he has great knowledge of operations of the basic sports cells, i.e. sports clubs and associations, which is of exceptional importance for achieving the set objectives.

Janez Sodrznik has played an important role in the international environment as well, especially in South and South-Eastern Europe, which is again important for membership of an international organisation.

Based on our cooperation, I can confirm that with his personal traits, and business and sports experience, Janez Sodrznik will be able to make an important contribution to the strategic objectives of TAFISA and to reducing the non-active population on the global level, which is a common objective of all who wish to improve the world with sport. The expert service of the OCS-ASF provides full administrative and operational support for his active role in TAFISA.

Yours faithfully,

Bogdan Gabrovce,  
President
