Prof. Dr. Ju-Ho, CHAN

President

TAFISA

I highly recommend Prof. Dr. Yasuo YAMAGUCHI (Board Member of TAFISA – JAPAN) as the Board of Director of TAFISA for the upcoming “Election of the 2017 – 2021 TAFISA President and Board of Directors” which will be held in “The 25th TAFISA World Congress” in Korea.

Prof. Dr. Yamaguchi has committed himself into many events and programs ran by TAFISA for more than 20 years. He also is making contributions to popularize and enlighten Sports for All around the world by contacting and cooperating with foreign Sports for All organizations as Board Member of ASFAA.

In Japan, he has written and published number of books and Research Journals using his knowledge and understanding to international Sports for All movement. I am convinced that his knowledge, understanding and experience will be used to the full extent in TAFISA.

Therefore, I have no hesitation in recommending Prof. Dr. YAMAGUCHI for this position.

Sincerely Yours,

Masatoshi ITO

President
