

CITY OF PRAGUE  
Zdeněk Hřib, M.D.  
Mayor

Prague, 24<sup>th</sup> September, 2021

Dear Prof. Ju-Ho CHANG,

I have learned that the ČESKÁ OBEC SOKOLSKÁ in cooperation with GUARANT International, would like to present Prague as the hosting venue of **Congress of the Trim and Fitness International Sport for All (TAFISA)** in 2025.

I wish to inform you that I, as the Mayor of the City of Prague, strongly support this initiative.

The City of Prague, situated in the heart of Europe in one of safest countries worldwide, is an ideal congress location with easy access for all delegates. You may already know that Prague has a vast history of hosting many international keynote meetings in a wide variety of fields, among them scientific and medical events, and therefore is ranked in the top ten meeting destination worldwide long-time. We would be delighted to see such a prestigious congress being held in our beautiful, UNESCO listed city.

Prague also has an exceptionally high standard of convention facilities, an excellent hotel infrastructure and an effective and efficient public transport system, thanks to which events in Prague have historically attracted around 15% more attending delegates than the event average. Thus we believe we are able to meet the standard of all participants attending in 2025.

I therefore hope that Prague and the Czech Republic will have the honour and the pleasure to host the Congress of the Trim and Fitness International Sport for All (TAFISA) in 2025.

Yours Sincerely,

**Prof. Dr. Ju-Ho CHANG – president**
