

Report of the TAFISA Nomination Committee to the TAFISA General Assembly 2022

I take it as a pleasure and privilege to give you the report on behalf of the TAFISA Nomination Committee. The TAFISA Nomination Committee regarding the up-coming election 10. June 2022 at the TAFISA General Assembly is:

Ms. Efi Mouzourou, Cyprus

Mr. Tomohiko Yoshida, Japan

Mr. Finn Berggren, Denmark, - Chairperson

We were all elected at the previous General Assembly in Tokyo in 2019.

On behalf of the Nomination Committee I have the pleasure to present the findings.

According to the TAFISA statutes “the nomination committee shall propose to the general assembly persons for election” (Chapter XI, § 5). Therefore, please let us make clear that we will not recommend any candidates to you who we think might be more qualified than others.

It was the task of the Nomination Committee to check the submitted applications for their validity and completeness.

In this context, the criteria for review by the Committee were:

1. The formal aspect of the applications:

- all applications received before the deadline of July 10, 2022, three months before the General Assembly as required by our statutes were accepted
- all applications accompanied with support letters from candidate’s organizations were accepted
- all candidates with membership fees paid for 2021 and 2022 were accepted

2. The qualification of the applications:

- According to the information given by the candidates in their applications, all applicants are suitable according to their specific experiences in the sport for all field, background, language capacity, etc.

3. The requirements of the TAFISA statutes:

- All five TAFISA regions of Africa, Europe, Asia, Oceania and the Americas are represented by the candidates
- there are at least two female and two male candidates applying as Board members
- there is at least one candidate for President
- All three member categories are represented

After the detailed review of all the submitted applications, we are happy to inform you that formally, all the candidates are qualified to run for the Board.

Finally, we would like you to note that TAFISA is a global organization. For that reason, we recommend that the General Assembly have in mind that a fair share of all five TAFISA regions should be represented in the new board.
