Berlin, 4. Mai 2022

Dear Mr President,

With this letter, the Federal Ministry of the Interior and Community expresses its full support for the candidacy of Mr Wolfgang Baumann for the position of TAFISA President at the upcoming Board of Directors elections to be held in June 2022.

Mr Baumann forged a close relationship with my Ministry when he commenced his role as TAFISA Secretary General in 2005. Since then, Mr Baumann's efforts to develop TAFISA and the Global Sport for All Movement have not gone unnoticed with members, stakeholders and leaders of the Movement in Germany, across Europe and internationally. Mr Baumann's extensive knowledge and vast experience have not only led TAFISA to its height of success as the global leader of Sport for All, but also positions Mr Baumann as a model candidate to lead the organisation to an even stronger and more prosperous future.

The relationship between the Federal Ministry and TAFISA has been extremely close since 2005 and continues to grow in strength, particularly due to the upcoming TAFISA World Congress to be held in Düsseldorf in 2023. The nomination of Mr Baumann for the position of TAFISA President aligns with the Ministry's commitment to the German, European and Global Sport for All Movement.

I am fully convinced that TAFISA would be extremely well positioned for a bright and successful future under the leadership of Mr Wolfgang Baumann, and I hope that the members will support his candidacy.
