Subject Endorsement of candidacy Jacqueline Kronenburg
for TAFISA Board of Directors

Dear Sir/Madam,

It is with great pleasure that I, on behalf of the Government of The Netherlands, endorse the candidacy of Mrs Jacqueline Kronenburg for the Board of Directors of The Association For International Sport For All, TAFISA.

The work of TAFISA focuses on enhancing the potential of sports for all. This requires awareness, interest and a network in the international sports sector. To know when and where to be strongly represented. I believe Mrs Jacqueline Kronenburg to be the right person at the right time for TAFISA.

First and foremost, Mrs Jacqueline Kronenburg is a professional and sincere person, that has a great motivation to make sports, but also society, a place where everyone is welcome.

Her combined expertise in public affairs, communications, as well as her work in the international arena and on the position of women (in sports and society), have instilled in her a very good understanding of the needs of our national sports sector, related to the European sports sector and even in a broader international setting. This experience is crucial in the Board of Directors of TAFISA, to bring together all the member organisations and to strengthen the position of TAFISA in the international arena.

Mrs Kronenburg is highly motivated and has clear ideas for TAFISA's future. In Jacqueline Kronenburg, TAFISA would have a Board Member who is uniquely qualified bring TAFISA further and its members closer.

Please be assured of my highest considerations.

All correspondence addressed to the postal address quoting date and reference of this letter.

Yours sincerely,

On behalf of,

C. Helder
Minister for Longterm Care and Sport
