Dear Sir/Madam

On behalf of the Fiji National Sports Commission, it gives me great pleasure to provide a letter of support for this important TAFISA - Board of Directors Election

The Fiji National Sports Commission wishes to nominate Ms Cathy Wong, Board Member of the commission, who has worked with the commission on several projects, physical activities, and inclusion sports & recreational activities in Fiji.

Ms Wong is a humanitarian scientist at heart with a passion of giving back to the community and believing in doing volunteering work. She always believes in striving for excellence and integrity to get the job done.

We believe she would be the best person to sit on the board of directors and make a difference for Oceania and leadership for Sports for all in the Pacific. Cathy has already demonstrated her capacities as a woman and her resume speaks volumes of the work that she can do for Sports of all in Oceania.

Cathy has the calibre to raised women's leadership and gender equality in Oceania and already sits on various boards nationally, regionally, and globally. Her appointment to the board of directors for TAFISA would be a milestone achievement for sports of all in Oceania.

We wish Cathy the best in her nomination.

Yours sincerely
