Subject: Board of Directors Nomination Letters

Dear Prof. Dr. Chang and Mr. Baumann:

I am writing this letter on behalf of the TAFISA Member Organization, the International Functional Fitness Federation (iF3), to nominate our President, Gretchen Kittelberger, for a place on the TAFISA Board of Directors.

Ms. Kittelberger has been involved with the Sport for All movement since 2010 when she became a functional fitness trainer working to involve people from a diverse set of backgrounds in physical activity and sport. Her work at the International Functional Fitness Federation has included leading the federation to develop events and programs for athletes across all age ranges.

The iF3 wholeheartedly endorses the nomination of Ms. Kittelberger as a Board Member for TAFISA. Please, let us know if there is any additional information we can provide you.

Sincerely,

Anders Behrmann

Secretary General, International Functional Fitness Federation
