Subject:           letter of recommendation candidacy for TAFISA Board

Dear Mr. Baumann and members of TAFISA,

The Knowledge Centre for Sport & Physical Activity Netherlands (Kenniscentrum Sport & Bewegen) confirms their support for the candidacy of Jacqueline Kronenburg as a member of the TAFISA Board of Directors 2022-2025.

In our opinion, Jacqueline Kronenburg would contribute greatly to TAFISA. As you can see from her nomination form, she has been involved with TAFISA for over ten years and has worked closely with Peter Barendse on international affairs. Her CV shows her broad knowledge of public affairs and communication skills and valuable extracurricular activities.

The Knowledge Centre for Sport & Physical Activity Netherlands was founded in 2016 as a result of the merger between NISB (1999) and Onbeperkt Sportief. It is based in Utrecht (April 2022) in the Netherlands and employs over fifty professionals specialising in various aspects of the sectors involving sports and physical activities. KCSB is an independent, knowledge institute, mostly funded by the Dutch Ministry of Health, Welfare and Sport (VWS).

It is KCSB's priority to make sport and physical activity more powerful through the use of knowledge. We believe that our expertise can help improve the quality and effectiveness of sport and physical activity, and therefore contribute to a more vital society. A society in which people are able to take part in sports and other physical activities in a safe and enjoyable way.

We help find answers to questions about sport and physical activity, or to initiate research where there is no answer, or by developing practical step-by-step plans, guidelines and methodologies.

The Knowledge Centre for Sport & Physical Activity cooperates with partners in Europe in several EU-funded projects. By cooperating with partners on global or European projects, we aim to strengthen and deepen our knowledge. Our Memorandum of Understanding with TAFISA (2016) aims to contribute to the body of knowledge of TAFISA.

We look forward to the appointment of Jacqueline Kronenburg to the TAFISA Board of Directors and we hope her appointment will strengthen the connection between our organisation and TAFISA, to the benefit of both parties.

Yours sincerely,

Bert van Oostveen
