Dear President, dear Prof. Chang,

With this, the German Olympic Sports Confederation (DOSB) expresses its full support for the candidacy of Wolfgang Baumann for the position of TAFISA President at the upcoming elections in June this year.

Serving as Secretary General since 2005, Mr. Baumann has decisively shaped the development of TAFISA in far more than a decade. His outstanding contribution to the success of the organisation, his experience and in-depth knowledge of TAFISA and the worldwide Sport for All movement make him an ideal candidate to lead TAFISA to an even more prosperous future.

The ties between TAFISA and Germany have been close since the foundation of the organization in 1991. The nomination of Wolfgang Baumann for the election to the TAFISA Presidency does also express DOSB's ongoing commitment for the worldwide Sport for All movement. It goes in line with DOSB's continued advocacy for sport development and the promotion of an active society – be it on local, regional, national or international level.

We are fully convinced that TAFISA with its more than 300 member organisations would be in good hands under the leadership of Wolfgang Baumann. We therefore hope for the trust in his abilities by the TAFISA membership and kindly ask for your support in this regard.

Thank you very much for your kind attention.

Yours sincerely
