Dear Prof. Dr. Ju-Ho CHANG,

On behalf of the Japan Sports Agency, I am pleased to express our full support for Mr. TAMAZAWA Masanori regarding his nomination for a position in the TAFISA Board of Directors.

Mr. Tamazawa, managing director of Sasakawa Sports Foundation, has devoted himself to bridge Japan and global Sport for All communities.

One of his highlights was hosting the 26th TAFISA World Congress 2019 in Tokyo. As a member of organising committee, he worked hard to make this global event successful by coordinating various stakeholders in and out of Japan.

At the congress, you surely remember that more than 600 experts from 78 countries participated, and my predecessor, Prof. SUZUKI Daichi, the former commissioner of Japan Sports Agency, had delivered a keynote speech. It was a great opportunity not only for us but also for all of the Japanese Sport for All professionals to interact with global experts.

I strongly believe Mr. Tamazawa, as a TAFISA Board member, will keep trying to bind Japan and global Sport for All communities and will make significant contribution to TAFISA.

Yours sincerely,
